

Jarir Online Store

An e-commerce platform inspired by Jarir Bookstore. Customers browse products across store branches, add them to a cart, and complete a purchase by placing an order and paying online.

USER

Personal and delivery info. Owns one Cart, a history of Orders, and saved Cards.

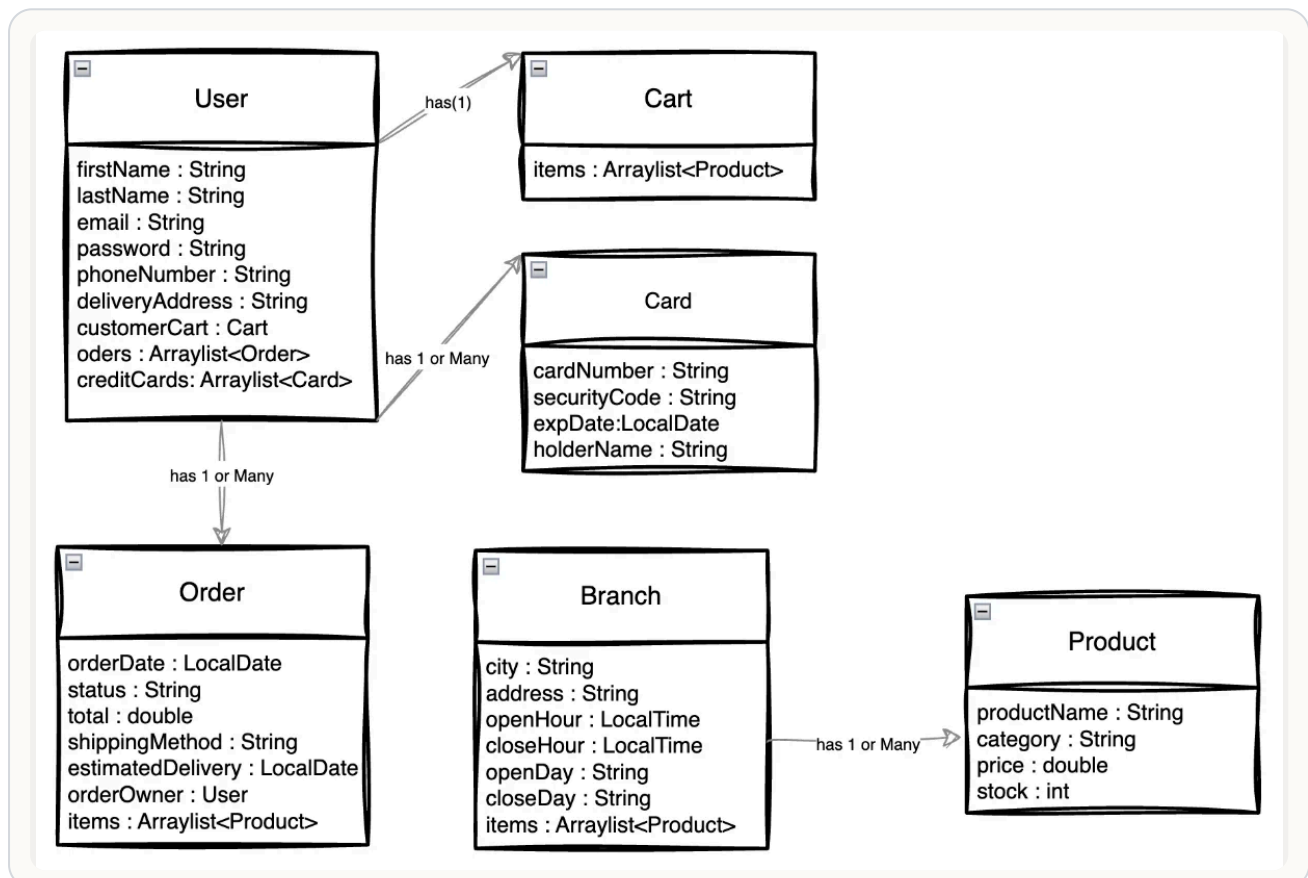

PRODUCT & BRANCH

Each item carries name, category, price and stock, and is linked to the branch that holds it.

ORDER

Created at checkout with the ordered products, total cost, shipping details and status.

MODELS
